Square dancing will melt your

Note from the Editor:

I want to take a minute to say THANK YOU to Robin Alpenglow for all of her hard work and her love and devotion to our activity. With her help through promotion and participation our square dance community has been highlighted and enhanced. We congratulate you on your recent wedding and wish you and your wife many years of happiness together. You will be missed greatly.

Let me introduce myself. I am Brenda Deal. I have been square dancing for 2 fun, short years. I took lessons with the Swingin' Beavers along with my husband, Scott Deal. Scott has been dancing for over 30 years. I can honestly say the nicest people I have ever met have been square dancers.

I was the editor for a respiratory therapy department newsletter for 1995 to 2000, which brought me a great deal of pleasure. I believe that this newsletter will be even more fun.

My thoughts are that a newsletter is only as good as the clubs who participate. I will need each and everyone of you to help make this a fun, interesting, enjoyable and informative newsletter. So please, talk or email me with your suggestions, thoughts or information.

There will be deadlines in place to ensure that we get the Tips & Cues out in a timely fashion. The goal is for distribution to the clubs by the 2nd or 3rd week of the last month of the prior Tips & Cues. For this to happen, I will need your information and flyers submitted by the following dates:

- Spring 2014 Issue
February 15th
- Summer 2014 Issue
May 17th
- Fall 2014 Issue
August 23rd
- Winter 2014-15 Issue
November 15th

Let's square up our team!
Brenda

Humor Corner

What do cars do at the disco?

Brake dance

What kind of dance do mothers like best?

The Mom-bo

Life isn't about waiting for the storm to pass, it's about learning to dance in the rain.

What do you get if you cross an insect and a dance?

A cricket ball!

Why do ants dance on jam jars?

Because the jar says 'twist to open'!
