From the desk of the President of  
the Southwest Area Callers  
Council

Welcome to the new square dancers.

Congratulations on your accomplishment of completing your introduction to modern western square dancing. Now practicing your new found enjoyment of square dancing is ahead of you. Square Dancing is all about having FUN with "U" in the middle. Remember that dancing is not all about perfection but about "Recovery" it is the key to becoming a successful dancer. Some of my best memories of Square Dancing are of me laughing at my own mistakes. Continue to enhance your dancing by attending other club dances and dancing to different callers. Don't forget that a "Stranger at a new club is just a friend to be" and Callers are there to help you enjoy the dance. I would like to take this opportunity to express my appreciation and thanks to all the dedication "Angel" that shared their time and experience with the new dancers each and every week. I look forward to continuing our Square Dance journey together as we see you around the Square!

**Tips & Cues**

Winter 2009 - Spring 2014

Please join me, in wishing Robin a warm farewell as she begins a new chapter in her life. She has been many things to us all, Cuer, Editor of Tips & Cues, Square and Round Dance Partner, Neighbor, House Guest but most importantly....FRIEND. As she relocates to the West Coast to begin her life with her new spouse, she leaves us with fond memories. Her love, passion and dedication to Square & Round Dancing has left it's footprint in Wisconsin and is now spreading to Oregon. Robin, don't be a stranger! This is not Good-bye but See you soon in a Square or Round.
