**DO THE IOWA
SCENE
IN 2016**

The National Squares E-Magazine is the official magazine for the 65th NSDC. It is a monthly magazine that is dedicated to bringing you the most current information about the convention, activities, tours etc.. One of the fun articles that is planned for each issue is "Getting to Dis Moines off the Interstate", in each issue there will be a Route to take. "It is our desire that you make your trip to Iowa a vacation and not just a drive from your home to the National Square Dance Convention in Des Moines."

Quote from the 65th NSDC

To receive the free NEC magazine and to stay current with the 65th National Square Dance Convention visit: www.nsdcnec.com

From the Editor:

I was recently asked "What is the Leadership Certification Program?". On your 65th NSDC registration form the LCP is one of the options you have to sign up for. The program offers various topics over the course of Thursday - Saturday. Each topic or session lasts about 45 minutes. There are a number of required topics to meet the LCP requirements, however anyone is welcome to take this sessions. You do not have to participate in the LCP to attend. I highly recommend this program. Scott and I both took program in Little Rock and we took away from it a wealth of knowledge that has helped us and allowed us to share more informed information with our club, area and state dancers. Each year it is different in who the presenters are and the topics to be covered. Please consider taking a break from dancing and help bring information back to your club, area and state dancers. Some of the topics to look forward to in the LCP is the Keynote Speaker - Jerry Story, the Bid Session - Who will bid to host the 2020 NSDC, Mentoring and retaining New Dancers, and many more.

*Catch Your Dream
In 2016*

Hang a Dream Catcher above someone
sleeping to guard against bad dreams.
Dream Catchers allow good dreams to pass
through and slide down the feathers to the
sleeper. Bad Dreams become entangled in
