Saturday evenings.

The 50-Call Entry Program Review Begins for SW-SDAW

The SW-SDAW Councils approved a motion to form a study group to evaluate the adoption of the Club 50 Dance Program for the teaching of square dancing. A recommendation and report will be presented to the SW-SDAW at their meeting on May 4 held at the United Methodist Church in Sun Prairie. Everyone is welcome at the 7:00 p.m. meeting.

It is the study group's job to inform the square dance community in our area what is involved with a Club 50 program and how it may affect square dancing here. Support by the entire southwest area would be advantageous for the success of the program.

This is where every reader of this article can help. We need your opinions, questions and comments on this change which is intended to attract more people. Here are a few of the ways you can become aware of this method of teaching square dancing: Researching the topic, reading literature provided to each club, and listening and asking question from the study-committee members. This will help the evaluation process. The members are: Ray Steinich, steinrm@frontier.com or 608-429-0349, Tom Nickel, tenickel@chorus.net or 608-831-0341, Dave Schulz, dcschulz53@hotmail.com or 608-393-3351, Paul Van Rooy, jeangvr113@gmail.com or 608-669-0595 and Gary Willard, cgw4@att.net or 920-485-4310. Someone from this committee has or will be visiting your club in the next two months to provide information to you and for you to let us know how you feel about this approach. After you are informed, contact at least one of them and share your feedback.

Here is a short summary to start you thinking. The Club 50 program teaches new dancers by using three introductory dances and 10 weeks of instruction. This teaching program could be available several times per year. It is initiated to attract and retain dancers because of the shorter program that gets them to dances sooner. After a dancer has learned 50 calls they dance at this level for about a year and when they feel they have mastered the calls they can learn more calls through extended applications provided at dances where they are introduced.

SW-SDAW Club 50 Committee
